## *The Bank Fraud & IT Security Report*

*Charlotte, North Carolina 4/21/03* — The editors and publishers of *Southeast Consulting, Inc. (SCI)* in conjunction with Thomson Media Services have launched a timely new publication entitled *The Bank Fraud & IT Security Report*. The intended audience for this important newsletter consists of financial institutions world-wide and their employees, particularly those with responsibility for detecting and preventing fraud or implementing and improving physical, data and virtual bank security.

*SCI's* editors have assembled an impressive newsletter editorial board including top security and fraud prevention executives from such prestigious organizations as Wachovia Corporation, KPMG, The University of North Carolina, Rexus Corporation and many others. To preview this important new publication, visit *SCI's* Website at [www.southeastconsulting.com](http://www.southeastconsulting.com).

Established in 1992 and headquartered in Charlotte, NC, Southeast Consulting, Inc. is a financial and technology consultancy whose primary mission is to assist clients in the solution of complex financial, business and technology problems through the use of advanced financial management techniques and the application of state-of-the-art technology and security techniques. From a strategic standpoint, *SCI* continues to expand the company's client base and market presence while enhancing the corporation's reputation as a world-class consulting firm. *SCI's* founding vision and philosophy is to *maintain a business partner relationship with key clients by providing high quality, cost efficient world-class publishing and consulting services.*
