Rich Baich Joins The Bank Fraud & IT Security Report Editorial Board

Charlotte, North Carolina 8/15/06 — Southeast Consulting, Inc. (SCI) is pleased to announce a new Editorial Board member for *The Bank Fraud & IT Security Report*. Rich Baich comes to the editorial board of this important publication as the Managing Director of Pricewaterhouse Coopers' technology and data security practice. He has extensive experience working with commercial organizations developing security architecture infrastructure, data security solutions, and risk management systems and policies. He has held security leadership positions for the National Security Agency, McAfee and, after 9/11, at the National Infrastructure Protection Center at the Federal Bureau of

Investigation.

Established in 1992 and headquartered in Charlotte, NC, Southeast Consulting, Inc. is a financial and technology consultancy whose primary mission is to assist clients in the solution of complex financial, business and technology problems through the use of advanced financial management techniques and the application of state-of-the-art technology and security techniques. From a strategic standpoint, *SCI* continues to expand the company's client base and market presence while enhancing the corporation's reputation as a world-class consulting firm. *SCI's* founding vision and philosophy is to *maintain a business partner relationship with key clients by providing high quality, cost efficient world-class publishing and consulting services.*
